

FREE TSST Modern Languages Subject Knowledge Enhancement Courses for Qualified Teachers

This training is bespoke, designed to meet your existing needs and that of your department. Participation is free and there is a £400 Bursary available for participation.

Benefits for the teacher

- Raises quality of teaching and learning and contributes to schemes of work
- Extends subject knowledge and work with other teachers from schools across the region
- Wider teaching opportunities once you have completed your TSST
- CPD Opportunity that can enhance your own work/life balance and interests through developing a new skill.
- Invitation to join a regional language networking hub

Benefits for the School

- Helps to make existing staff more versatile and can reduce the impact of teacher recruitment shortage in Languages by enabling unqualified staff to fill gaps in language timetables.
- Excellent CPD opportunity to offer to your existing staff

How to Apply

This training can take place in your school and be tailored to the training needs of your department. A range of support and guidance is available to enhance the teaching and learning of languages.
