A network for those supporting learners with physical disability

Accessibility Toolkit

NOW LIVE!

Accessibility Planning Toolkit for Schools

A collection of resources to support schools to develop their Accessibility Plan to ensure the effective inclusion of all learners, with a focus on those with a physical disability.

What does the Toolkit include?

- Interactive PDF with step-by step guidance for accessibility planning
- Editable Accessibility Plan template
- Case study examples
- Audit tool
- PPT. slides to support staff consultation
- Plus much more!

Testimonial:

"This is a fantastic resource which will make the process of developing and writing a school accessibility plan as clear and straightforward."

Professor Adam Boddison, CEO of nasen and Chair of Whole School SEND
