### Twilight Sessions Autumn 2020/Spring 2021

Warwickshire SACRE Standing Advisory Council on Religious Education

# SACRE RE Subject Knowledge Enhancement Programme 2029-2021 (Westhill Grant Funded)

Sadly, this programme is currently suspended due to its dependency on large gatherings from multiple schools. As soon as we are able to re-launch we will begin with our Judaism Subject Knowledge session at Birmingham Progressive Synagogue. Following that we will be running sessions on Hinduism, Christianity and Buddhism.

The films, road maps and photo packs for our first two sessions on Sikhism and Islam are available at right at the bottom of the page:

https://www.warwickshire.gov.uk/sacreresources and there are guidance notes on how to use these for developing teachers' subject knowledge. **They are not intended for use with pupils.** 

# **Supporting RE in Your School**

You can still request a 'monitoring visit' for your school but at the moment these can only be conducted via Microsoft Teams. The following can be looked at:

- RE Curriculum and Long Term Planning
- Progression within your RE Curriculum
- RE Subject Leader Action Planning
- Means for monitoring and evaluating RE
- RE and Assessment

Any documentation to be looked at would need to be sent to Jennifer Jenkins in advance of the meeting. If you are interested, please email <u>Jennifer.Jenkins@coventry.gov.uk</u> (Coventry schools) and <u>jenniferjenkins@warwickshire.gov.uk</u> (Warwickshire schools)

# **DUTY TO TEACH RE DURING 2020-2021**

The latest guidance (September 7<sup>th</sup> 2020) from the Department for Education says:

#### The curriculum remains broad and ambitious

All pupils continue to be taught **a wide range of subjects**, maintaining their choices for further study and employment.

For KS1/KS2:

The curriculum should remain broad, so that the majority of pupils are taught a full range of subjects over the year, including sciences, humanities, the arts, physical education/sport, religious education and relationships and health education.

For KS3:

For pupils in key stage 3, the curriculum should also remain broad from year 7 to year 9 so that the majority of pupils are taught a full range of subjects over the year, including sciences, languages, humanities, the arts, physical education/sport, religious education and relationships, sex and health education. For pupils in year 7, it may be necessary to address gaps in English and maths by teaching essential knowledge and skills from the key stage 2 curriculum.

For KS4/KS5:

The majority of pupils in year 10 and 11 are expected to continue to study their examination subjects. This will support them towards their preferred route to further study.

*In exceptional circumstances, it may be in the best interests of a year 11 pupil to discontinue an examined subject because the school judges that, for example, they would achieve significantly better in their remaining subjects as a result, especially in GCSE English and mathematics.* 

Nick Gibb MP, Minister for schools, has given a clear and fulsome answer to a question from Luke Pollard MP regarding schools and RE.

We note from his answer below that he restates that;

- State-funded schools in England have a duty to teach religious education to all pupils aged 5 to 18 years
- where pupils do not choose Religious Studies as an examination subject, the requirement to teach religious education still applies.

• An agreed syllabus can stipulate that pupils follow an accredited qualification such as GCSE

He also clearly says that in the reopening of schools;

• Religious education is explicitly stated as one of the subjects that should be taught

# **Collective Worship During 2020-2021**

The latest guidance (September 7<sup>th</sup> 2020) from the Department for Education says:

Groups should be kept apart, meaning that schools should avoid large gatherings such as assemblies or collective worship with more than one group.

Singing, wind and brass playing should not take place in larger groups such as choirs and ensembles, or assemblies unless significant space, natural airflow (at least 10l/s/person for all present, including audiences) and strict social distancing and mitigation as described below can be maintained.

The law that requires an act of daily worship to take place in schools is still in place. There is currently no expectation for the whole school/large groups of several classes or year groups to meet together due to measures in place to control the Coronavirus Pandemic. Where social distancing and a bubble system is in place this may be possible within the risk assessment for your school. Schools are encouraged to use online means to ensure collective worship is still going ahead in classrooms where possible or making use of the outdoors where larger groupings are desired.

Godly Play have provided a free resource for class-based collective worship: https://www.godlyplay.uk/wp-content/uploads/2020/08/Collective-Worship-<u>Autumn-2020.pdf?fbclid=IwAR2pZFgvHzCQfjcNu-</u> <u>uVWHIJhTBJIvYBGg2z\_ccosEkl1J6Rbtr4NhE18YE</u>
