

Train the Trainer Workshop to Raise Awareness on Prevent (WRAP) Training

Programme Brief

Welcome to booking a place on Train the Trainer in order to deliver the Workshop to Raise Awareness on Prevent (WRAP).

This workshop is an introduction to the Prevent strategy and an individual's role in safeguarding vulnerable people. Completing this module will give you the skills to deliver WRAP training. You will receive an allocation number from the Home Office which will allow you access to all the resources and materials in order to deliver the training.

Target Group

Individuals who have not had any previous training in Prevent, extremism and radicalisation and can identify teams, colleagues or groups to deliver WRAP training to.

Learning Outcomes

- Understand the Prevent Duty and agenda
- Think about who may be vulnerable to all types of extremism
- Identify the signs of why some people are vulnerable to being influenced and manipulated into all types of extremism
- Be clear on what help and support looks like in Warwickshire and who you should turn to if you have concerns.
- Have the skills and knowledge to deliver WRAP training within your local area

Are there any prerequisites or additional requirements for either of these sessions

Before attending the face to face session it is highly recommended that you complete the e-learning on Prevent: GEN NS404, Prevent Radicalisation e-learning hosted through WILMA. Pre-course paper work will be distributed and will need to be returned before you can attend the course as a pre-requisite of the Home Office.

Workshop to Raise Awareness of Prevent (WRAP)

Programme Brief

WRAP is a specialist workshop designed by HM government to provide you with an understanding of the Prevent strategy and your role within it.

Completing this module will give you an introduction to Prevent and help you understand what vulnerabilities may make someone susceptible to radicalisation and all types of extremism. Local safeguarding arrangements will be outlined along with the local Channel Panel referral system and who to contact should you have any concerns. This module is awareness raising to support you in your role.

Target Group

Individuals who have not had any previous training in Prevent, extremism and radicalisation and work directly with the community, children, young people and their families.

Learning Outcomes

- To understand the Prevent Duty, agenda and your role within it
- To provide you with the ability to use existing expertise and professional judgment to recognise vulnerable individuals who may need support if someone is potentially being radicalised, groomed or is involved in extremism
- To understand how extremism affects individuals
- Identify local safeguarding and referral mechanisms to engage with in order to support those identified as vulnerable to radicalisation or extremism
