

Flourishing Through Leading: A Two-Year Programme for Middle Leaders

This two-year programme is suitable for anybody with a role as a middle leader for subject development or pastoral care. It includes twelve sessions; one 1.5-hour session per half term, conducted remotely on Zoom.

The programme assumes that particulars around subject leadership, monitoring and curriculum development are already being covered through other CPD or in-school support and so will focus on developing middle leaders as people - nurturing them as leaders with a distinctively Christian focus, with Christian values recognisable through their leadership. There will be a mixture of input and reflective discussion at each session.

The twelve sessions will cover topics such as:

- Knowing Yourself as a Leader
- Learning to Lead
- Managing Change
- Curriculums of Hope
- Wisdom
- Flourishing Through Teacher Development
- Effective Leadership
- Taking Them With You
- Pastoral Care
- Risk-Taking and Ethical Decision-Making
- The Nature of Power
- Engaged Feedback
