

INVITATION TO ALL SCHOOL STAFF

Participation in SEND Inclusion Guidance Focus Group

As part of the Warwickshire SEND Inclusion Change Programme, the Warwickshire SEND Inclusion Guidance is being developed to help schools to meet the needs of young people with SEND following the Graduated Approach. Produced as a web-based document, the Guidance is designed to enable relevant information to be navigated quickly and accessibly.

Before the SEND Inclusion Guidance is launched, we would like to invite you to participate in a school staff focus group to explore the Guidance, and most importantly, to gain your feedback and views.

We would like you to attend **one** of the following Focus Groups:

- **Thursday 1st July 2021 3:30 – 4:30pm**
- **Tuesday 13th July 2021 3:30 – 4:30pm**
- **Thursday 15th July 9:15 – 10:15 am**

To sign up to a Focus Group either click on the link below or scan the QR code using a smart phone, or tablet.
