

Mental Health and Wellbeing Support for Headteachers

Headteachers help
children to stay healthy,
happy & positive...

...but It's important that
as a headteacher, you
also look after your own
mental health and
wellbeing.

Here's some of the support
available to you and your staff:

**If you feel you require
urgent mental health
support**

Phone the NHS Mental Health Crisis Service:

Need a listening ear?
Free leadership
support is available
from your local
authority.

We have a team of
school improvement
professionals to lend
a listening ear. Some
will already be known
to you in their role as
Learning Improvement
Officers or Task Group
Chairs but this will be
different. You may
prefer not to talk to
someone you have
worked with before,
or you may wish to
continue a relationship.

Up to three 1-2-1 sessions of 50-75 minutes are provided free of
charge. Further sessions are available for an additional fee to the
school.

**Sessions are confidential unless there is a safeguarding concern.
