

BRING LEARNING OUTSIDE THE CLASSROOM TO LIFE!

We are offering free workshops for trainee and established teachers, set in the beautiful surroundings of Warwick District's Spa Gardens and Royal Pump Rooms.

Each workshop can be offered as a 3 hour half-day session with refreshments, or as one 6 hour whole-day session with lunch included.

Workshop 1: Nature, Science & Geography

- Benefits of learning outdoors
- Learning Objectives for open spaces
- Outdoor topics and starters activities
- Safe field trips and managing groups

Workshop 2: Local History & Art

- Using objects to bring history to life
- Creating your own trail around a museum or gallery
- Creative ways of teaching drawing
- Ideas for post-visit classroom activities

Workshops are suitable for groups of 10 or more teachers and subject to availability.

- Want your students to experience hands-on, memorable learning?
- Looking for opportunities to develop curriculum-linked school trips?
- Want to develop the confidence to take your students out of the classroom?

To book a workshop please email:
greenspaces@warwickdc.gov.uk.

We look forward to hearing from you!
