

North Warwickshire/South East Staffordshire Maths Leaders Networking Event

We are setting up a local Maths networking hub aimed at Heads of Department and Leaders within School Maths Departments. This event is an opportunity to meet and discuss strategies, share good practice and network with other local colleagues with a focus on improving the progress of all our students.

These "TeachMeet" style events will provide a place where local maths teachers, or anyone involved in maths teaching, can meet, exchange ideas and provide peer support as well as accessing information and support.

Supported by the Further Maths Support Programme, who will provide speakers on various themes that the group identify as being of interest.

In the first instance, we are looking to gauge interest in this initiative. If you would like to be involved or have ideas of items you think might be of appeal to this kind of group then, please contact me. I'd be happy to discuss it further with you.

With very best wishes

Adam Newell
Head of Maths
The Polesworth School

*If you wish to be involved or contribute to this event,
in the first instance, please contact The Community Academies Trust Teaching School by
emailing: m.borders@thepolesworthschool.*

WHEN: MONDAY 3 JULY 2017, 3.30pm
