

National Online Work Insight Week

5th - 9th April 2021

SMBP is pleased to announce that applications for our very first **National Online Work Insight and Skills** week is now open! We have worked with many of our partners to provide access to a variety of live business insight and skills development sessions taking place **5th – 9th April 2021**. In addition to the live sessions, students will be given access to the SMBP Student App with online modules and career support and lifetime access to the SMBP Group Mentoring Platform. This opportunity is available to eligible Year 12 students across the UK.

Over 30 partners have signed up to the week, here are just a few of them...
