## **REVIEW OF SUPPORT AVAILABLE PRE AND POST DIAGNOSIS**

**We are seeking the views  
of professionals who work with people  
awaiting a neurodevelopmental diagnosis.**

**We would appreciate professionals' feedback on  
the support they currently provide, what we  
could do to improve it moving forward, and their  
access to training and resources to enable them  
to perform their role effectively.**

**Please do take this opportunity to complete this  
survey through the link below and help to shape  
the future of the neurodevelopmental diagnostic  
pathway.**
