

NATIONAL MANUFACTURING DAY 2022

Company Name: LISI Aerospace (Blanc Aero Industries UK Ltd)

Company Address: 38 Butlers Leap, Rugby, Warwickshire CV21 3RQ

OUR NATIONAL MANUFACTURING DAY

Overview of your company:

A global leader in high-technology aeronautical parts, LISI Aerospace produces assembly solutions as well as engine and structural components for the major players in the sector.

LISI Aerospace is in the top 100 in the global aerospace value chain and specializes in the design and manufacture of high-tech metal components to enhance aircraft safety and performance. Active since 1950 in the fastener market (no. 3 worldwide), LISI Aerospace has been a recognized player in metal components for aircraft engines and airframes since 2011.

Our products feature in a majority of the world's aircraft and at every stage in their life cycles. Serving more than 300 customers in 30 countries, our teams excel through their capacity to innovate and ensure exceptional operational performance.

How we will be involved with National Manufacturing Day:

On NMD 2022 we will open our doors to family and friends including members of the public and school children. We will offer tours of our factory and have regular demonstrations of our machinery where guests will have the opportunity ask questions of our employees and apprentices.

Date & Time: Thursday 07 July 2022 | 10:00 & 13:00 (2 sessions)
