TEACHING SCHOOL

North Warwickshire/South East Staffordshire Science Leaders Networking Hub

The Hub is an opportunity to meet and discuss strategies, share good practice and network with other local colleagues with a focus on improving the progress of all our students.

GETTING TO GRIPS WITH THE NEW GCSE GRADES

As an ex science teacher herself, Sarah Old, Senior Manager in the Standards Team responsible for the Science A Levels and GCSEs for Ofqual, has some experience at the chalkface. More recently, she has been involved in the development of these qualifications and is now evaluating the reformed programme as the first awards have been made.

This *free* event is open
to all Science Leaders

WHEN: Wednesday 8th November 2017, 4.00 pm
