

Understanding the needs of learners with a **physical disability** and ways to **successfully** support them in school

Free to attend, this one day course will help increase knowledge and understanding of physical disability and the implications it can have for learning.

The course will:

- ✓ Develop awareness of physical disability and its impact on learning
- ✓ Support teachers to develop a supportive and inclusive classroom for learners with a physical disability
- ✓ Explore ways to deliver inclusive teaching and learning which a child or young person with a physical disability can take part in

Date: Thursday 27th February 2020

Time: 9:30am for a 10am start. Finish at 4pm

Venue: St Michael's Centre, Church Lane, Budbrooke, Warwick, CV35 8QL

Audience: SENCOs, Teachers and NQTs from both mainstream and special school settings

Cost: Free to attend, lunch and refreshments provided
