COGNITIVE SCIENCE APPROACHES IN THE CLASSROOM: A REVIEW OF THE EVIDENCE

Education Endowment Foundation

Applied Cognitive Science: Evidence into Practice

Through this ONLINE programme, based on robust research & evidence, participants will explore…

- What does the research say?
- What are the implications for my planning?
- Examples, case studies & avoidances
- A chance for reflection – What do I need to do more of & less of to apply these principles of research?
- So how do I strategically put this evidence to work to give it the best chance of success?

Facilitated by Evidence Leads in Education:

Jade Pearce
@PearceMrs

Jeremy Baker
@jezbaker3

With Primary Specialist Co-Facilitators:
