Teach Computing

Conference: Leading and Specialising in Computing
Friday 18th November, 13:00—15:30 (Remote via Teams)

KEY NOTE: COMPUTING QUALITY FRAMEWORK
Delivered by James Radburn, West Midlands Primary Lead

The National Centre for Computing Education (NCCE) Computing Quality Framework is intended to help schools review their progress in developing the computing curriculum.

This session will look at how your local hub can help you gain the accreditation.

WORKSHOPS:

- **FORMATIVE AND SUMMATIVE DIGITAL QUIZZES**
- **DEEP DIVE IN COMPUTING**

Delivered by Paul Gerrie, West Midlands Primary Lead

- **EVIDENCING COMPUTING WITH SEESAW**
- **PEDAGOGICAL APPROACHES FOR COMPUTING**

Delivered by Sarah Vaughan, Central and North Midlands Primary Lead

- **ENRICHING THE COMPUTING CURRICULUM**
- **PHYSICAL COMPUTING**

Delivered by James Radburn, West Midlands Primary Lead
