

SCHOOL LEADER DAY RETREATS

During these unprecedented times, as leaders, you are holding the school system together. We would like to invite you for a day of rest and care to be nourished, refreshed and to find ease in a space to just “be”. Experienced facilitators, coaches and supervisors, will hold a space for you to replenish your well, explore your inner landscape, and pause to breathe.

Good food, beautiful surroundings and an opportunity to recharge.

For your ease and comfort there are 3 venues across the country to choose from. Each day will run from 10am -4.30pm and all are available at the early bird booking price of £99 (before 31st December 2020) or full price of £125 after this date.
