@workpays_uk

@workpaysltd

What is the Workpays NEET initiative?

Our “Risk of NEET Initiative” is a free, flexible and tailored service delivered to your school for students who are 15 years old and above.

What can you do for my students?

- We help them plan their future
- We develop and boost their confidence
- We expand their employability skills
- We improve their communication skills
- We can help them achieve a qualification
