**Mon 5th Dec, Tues 17th Jan**

**Tues 14th Feb, Mon 20th Mar**

**For Primary Teachers & Leaders**

## Explore

- What are the implications for my classroom practice?
- What strategies can support S&EL?
- How do I apply these principles in practice to give the best chance of success for all children?

## Develop

- Skills, knowledge and understanding of S&EL to support all children (& adults) to ensure they are steady and learning-ready
- Knowledge of the neuroscience of stress & the role of relationship as an emotionally available adult
- Understanding of the impact of stress & trauma on learning
- Understanding of behaviour as a communication of an unmet need
- Strategies & techniques to support regulation for all children.
- Confidence in being better placed to support all children & adults with empathy and compassion
