TEACHING SCHOOL HUB

# TRAINING & DEVELOPMENT 2022/23

# WELCOME

TRUST RESPECT COLLABORATION

Coventry and Central Warwickshire Teaching School Hub is a Department for Education appointed organisation. Our remit is to provide **high-quality professional development** to teachers at all stages of their careers.

Our mission, as a trusted local resource, is to achieve the best outcomes for our children and young people by **developing teacher excellence** in our community. I am delighted to share with you details of the **Teaching School Hub's professional development programme**. Alongside our **accredited programmes** for the Early Career Framework (ECF) and National Professional Qualifications (NPQs), we have a number of programmes running not least our **DfE approved** Supporting All Children with Social & Emotional Learning and Developing High Quality Early Years Practice courses.

Please do look through offerings from our key partners. We also have this information on our **website** [tshub.co.uk](http://tshub.co.uk), so please do check our website for updates and new offerings.

Thank you for taking the time to explore our offer and we look forward to working with you very soon!

**Becky Wheeler,**  
**Teaching School Hub Director**

## ECF

From September 2021, the Early Career Framework (ECF) reforms will entitle all early career teachers to a funded two-year package of structured training and support linked to the best available research evidence.

Coventry and Central Warwickshire Teaching School Hub have partnered with University College London (UCL) to offer the full induction programme. UCL is one of six providers accredited by the DfE, to deliver an excellent programme of both online and face-to-face training for early careers teachers (ECTs) and their mentors.

## NPQs

We are delighted to be also working in conjunction with UCL to deliver the full suite of newly reformed National Professional Qualifications. We offer three courses designed for leaders: NPQH (Headship), NPQSL (Senior Leaders), NPQEYL (Early Years Leadership). We also offer all four of the Specialist qualifications: NPQLT (Leading Teaching), NPQLTD (Leading Teacher Development), NPQLBC (Leading Behaviour and Culture) and NPQLL (Leading Literacy).

Our NPQ courses offer participants a blended learning experience; experienced, expert facilitators run all our face-to-face sessions locally.

# DEVELOPING HIGH QUALITY EARLY YEARS PRACTICE BY BEGINNING WITH THE CHILD

For Nursery & Reception Teachers, Early Years Phase Leaders, Managers & Leads across the PVI sector

**3 full day and 3 half day sessions**  
**£360 per delegate**

## LEARN

This DfE approved training programme will support EYFS leads, teachers and practitioners to construct and hold a clear vision of high quality EY education through the development of a bespoke and responsive curriculum - that begins with the interests and context of the child.

To achieve this, the course considers the adult role, environmental offer and documentation. Current research and guidance materials are shared and practitioners are supported to confidently understand and fulfil the new EYFS framework.
