The Griffin Alliance - delivering NQT development on behalf of Warwickshire Local Authority

Join us for this opportunity to meet and network with other Warwickshire NQTs, engage in a workshop and listen to recently qualified teachers informally discuss their own experiences.

There will also be a welcome address from Warwickshire Local Authority.

An informative phase specific workshop:

“Positive behaviour management: Deflection, distraction & diversion”

Effective classroom behaviour management can arguably make the biggest difference to a teacher's working day. We aim to provide you with strategies that will help you deal with tricky situations. These will include planning for behaviour as well as on the spot techniques, thereby helping you achieve the right classroom environment and become the creative teacher you want to be.
