

West Midlands Secondary Computing Conference (Remote via MS TEAMS)

Monday 27th June, 13:30—16:00

KEY NOTE:

SECONDARY COMPUTING QUALITY FRAMEWORK (CQF) *Delivered by*

Pam Jones, Secondary Computing Hub Lead, Subject Matter Expert (SME)

The CQF helps schools/MATs review their progress in developing the computing curriculum. Schools that demonstrate consistently high attainment can then apply for the NCCE Computing Quality Mark awarded by BCS. **Join us to explore the CQF process, strands, evidence and how to use support to complete.**

WORKSHOPS:

- ♦ OFSTED DEEP DIVES
- ♦ ENRICHING THE COMPUTING CURRICULUM INCLUDING STEM AMBASSADOR SUPPORT

Delivered by Pam Jones, Secondary Computing Hub Lead, Subject Matter Expert (SME)
